HOW YOU VOTED...

Votes cast in Wellington ward at 2010 Rushmoor Elections

Evenings out must be made **SAFE**

Excessive drink leading to intimidation and violence continues to be a problem on our streets.

Lib Dem campaigner **Mitch Manning** welcomes the Council's withdrawal of the Sahara Bar's alcohol licence. It follows over a year of reported incidents and licence breaches including late opening, a fight and an alleged assault.

Mitch says, "Right now we need more patrols by the Police to spot and deter this behaviour rather than just reacting to call outs when it is too late.

No-one should be worried about coming to Aldershot for an evening out."

Have you been surveyed?

Lib Dem campaigner **Mitch Manning** and her survey team have been out and about getting the views of local residents.

Mitch is asking residents "What would improve life in Aldershot for you?"

Is crime or anti-social behaviour causing you any problems? What shops and facilities do you think Aldershot needs? Whatever local issue concerns you, Mitch and her survey team want to know about it.

Mitch and the Lib Dems are here to fight for you.

EITHER complete this survey when Mitch or a member of the team knocks.

OR you can complete it online at:

Did you know?

Labour's plans would have meant £22,400 of debt for every man, woman and child in the UK.

Interest payments on the debt alone were set to rise to £70 billion a year - that's more than we spend on schools and policing!

Now, Labour are trying to duck all responsibility for the mess they left behind.

The truth is that Labour broke their promises and wasted billions of pounds of public money. We will all be paying the price for years to come.

Mitch Manning - a fresh start for Aldershot

More action needed to save our shops

Aldershot has been allowed to decline for too long.

Mitch says "As a young woman I have to go to Guildford to do most of my clothes shopping."

"All residents should be catered for, including the military families and families of support services that keep the town running."

"More must be done to support existing traders and encourage people in. I want to see a comprehensive action plan to create a prosperous town centre we can all be proud of."

• **Mitch Manning** wants to see a comprehensive action plan to save our shops and stop the decline of Aldershot.

What difference have the Lib Dems made?

In government, Lib Dem policies are already being put into action:

- Nearly 1 million low earners taken out of tax.
- £2 billion extra child tax credit to tackle poverty
- Help for pensioners - earnings link restored and a guaranteed rise.
- ID cards scrapped
- Top earners to pay more in Capital Gains Tax.
- A new tax on banks

How can we recycle with bins this size?

• How can 12 flats fit 2 weeks recycling in two small blue bins? asks **Wingate Court** resident **Mitch Manning** (left).

We've all been told how important it is to recycle these days to keep our waste out of landfill sites.

But **Mitch Manning** asks how can residents of flats like **Wingate Court** be expected to recycle when their two small bins are full after one week and the recycling is collected fortnightly? The Lib Dems are pressing for larger bins.

Mitch also wants to see glass and more types of plastic collected for recycling - at the moment things like margarine tubs have to go in general waste.
