

5 reasons to support Mitch

1. A fresh approach

Mitch is friendly, approachable and will communicate with local residents more.

2. In touch with local people

Working with parents and children as a qualified nanny means she understands the pressures of everyday family life.

3. Lives in Wellington ward

Like you, she knows what it is like living near the town centre and will be able to pick up on local problems quickly.

4. Support for military families

Mitch feels an affinity with local military families as her dad in an ex-serviceman.

5. Service all year round

Mitch and her Lib Dem team will work all year round not just at election time.

5 reasons not to vote Tory or Labour

1. Town centre decline

Rushmoor Tories have allowed Aldershot's town centre shops to decline for too long.

2. Neglect and crime

The Tories' broken promises on Westgate have left a haven for crime and gangs.

3. Anti-social behaviour

Our town is blighted by disorder due to insufficient facilities for young people.

4. Taken for granted

Tory-run Rushmoor Council seems to look after Farnborough's interests much better than Aldershot's.

5. Labour can't win here

A vote for Labour will be a wasted vote and make no difference. This is a **local** election about the future of Aldershot.

Rushmoor Council By-Election - Thursday 23rd September 2010

Have your say on Thursday

On Thursday 23rd you can decide who you would like to have as your local Borough Councillor.

It looks like it will be a close race between Mitch Manning and the Conservative candidate who lives outside the ward.

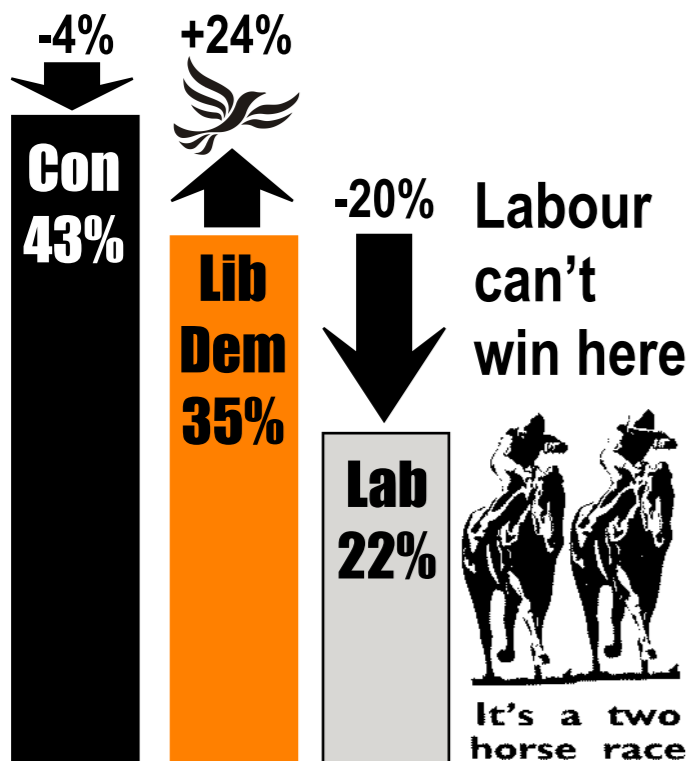

Mitch has received hundreds of replies to her local survey and uncovered a number of problems which need dealing with.

Support Mitch Manning on Thursday and she will be able to get to work for you.

Mitch and her survey team have called on hundreds of local residents during the campaign. Thank you for all your replies.

It's a 2 horse race!

A message from Mitch

Dear Resident

Thank you for the hundreds of survey responses and messages you've been sending me over the past few weeks.

I'm really sorry I haven't been able to give you all a personal reply but we've already taken up a number of the problems you've raised such as street lighting and traffic lights.

We've called on hundreds of people but with nearly 4,000 properties to get to, there simply isn't time to speak to all of you.

From the feedback we've been getting it's clear that that the Tories have let Aldershot down badly.

If you elect me as your Councillor on Thursday I will be able to start working for **you**.

It's time for a fresh start with Mitch

Residents are fed up with the number of empty and low-grade shops around the town. Mitch will press for a comprehensive action plan to regenerate the town centre.

Mitch's survey has revealed widespread dissatisfaction with Tory-run Rushmoor Council.

The number of empty and low-grade shops is your number one complaint. Crime, vandalism, gangs, drunken, behaviour and litter are your other top concerns.

Every year the Tories tell us Westgate is coming and every year it gets delayed. Mitch says, "It won't solve Aldershot's problems on its own but it's a start and should form part of a comprehensive action plan to regenerate our town centre that includes more leisure facilities"
