HAZEL HAS A DREAM!

Moor Road playing fields are to be amongst Rushmoor's top sports venues. At present it is being wasted - even the football pitches haven't any changing rooms. Please let Cllr **Hazel Manning** know your ideas and opinions.

WEST ROAD PARKING

This is possibly the worst road for parking in Grange, mainly because of the bad design, especially the corner between the two halves of the road. Cllr **Hazel Manning** has been urging the council to rectify the narrow bend and perhaps tarmac over the verges to increase parking.

EMPTY FLATS - ACTION AT LAST!

After contacting Hyde Housing several times, Cllr **Hazel Manning** has now been told work on boarded-up Birch and Oak Houses in Cherrywood Road will begin shortly. These houses will be converted into self-contained flats for rent.

ROAD SAFETY MEASURES

During the by-election last July one of the issues **Hazel Manning** took up on behalf of residents was the junction of Ley Road and Hawley Lane. Hazel tried to get major alterations, e.g. a mini roundabout, so traffic had to slow down, but Hampshire County Council's compromise was

LIBERAL DEMOCRATS WORKING ALL YEAR ROUND IN GRANGE KEEPING YOU INFORMED

TORIES PROPOSE MORE CUTS IN FARNBOROUGH SCHOOLS

If it hadn't been for Grange Primary School, Cllr **Hazel Manning** wouldn't have known her son had "glue ear".

Internationally recognised Manor Infant & Junior Schools plus Cove Secondary School units for teaching hearing-impaired children has been identified by the Tories for closure.

Cllr **Neville Dewey** explains "For more years than I can remember these three schools have had dedicated facilities for teaching children with hearing impairments. These units have been so successful that they are recognised internationally for their teaching ethics. The results that they achieve with the children put in their care is among the best anywhere".

The children and staff working at these units will be required to relocate to another unit, possibly the one in Basingstoke, with all the consequential extra travelling and loss of facilities at our schools.

We as local people cannot let this happen, but only by putting pressure on Hampshire County Council can we hope to have our voices heard.

CAN WE HELP YOU? COULD YOU HELP US? CARE TO TELL US ABOUT IT?

CLIMATE CHANGE – are you doing your bit?

Reducing your energy usage could help save the planet and you money.

Rushmoor Borough Council has recently set up its own Climate Change Task Group, to look at schemes within the council's own buildings to reduce its energy requirements. It will also help the residents and businesses within the local community to reduce their energy consumption levels. The council is showing its commitment when it signed the Nottingham Declaration on Climate Change on 7th December 2006.

So you might ask yourself, what is the most cost effective way that I can contribute? Well, the following four actions will be a great start:

- Loft Insulation**
- Tank Installation (Top-Up)**
- Low Energy Light Bulbs**
- Cavity Wall Insulation**

If you would like any further information, why not speak to your representative on the Climate Change Task Group – Cllr **Charlie Fraser-Fleming** on 07714 322352

THIS IS A CRIME

Recently a fire was started in this stairwell. The fire brigade had to put it out. Thankfully no-one was hurt this time, but it could have been much worse. This crime cost every council taxpayer money.
