HAVE YOUR SAY ON WATER LANE BASKETBALL HOOP!

Following the successful "Pavilion Residents Day" held in September, a number of residents asked us to look into the possibility of having the existing basketball hoop at Water Lane Play Area removed.

More recently, we have been asked if a second basketball hoop could be provided.

Before we go any further with this project, we would like to hear from you about the situation, both for and against basketball staying.

MEET JAMES CHARLTON MAYFIELD'S NEW PCSO

Have you met James, our new PCSO (Police Community Safety Officer)? James holds a regular meeting at 6pm on the last Thursday of the month (except December) at Prospect Community Centre. Come along and let him know what you think should be the policing priorities for Mayfield. You can contact PCSO 13603 James Charlton on Tel: 0845 0454545 or email: james_charlton@hampshire.pnn.police.uk

POLICE FILE

Following a complaint to police about young people hanging around alleyways near Water Lane, police noted suspicious activities going on. After a short time arrests were made of people dealing drugs. We await the result of the prosecution.

COVE BROOK FLOODING

Charlie, Craig, Neville and other local residents continue to monitor what action the Environmental Agency are taking following the recent flooding at Cheyne Way and other areas along the brook.

The latest information available is that the brook's flood-risk capacity is being re-modelled. We can also report that following meetings at Rushmoor Council a public meeting is being organised for this November. Once the date has been agreed, we shall ensure that you are notified.

RETURN TO WEEKLY COLLECTIONS WELCOMED

Following the recent trial of the Alternate Weekly Collection (AWC) which ended in July, a survey of residents indicated that the trial was inconclusive. This has resulted in the AWC proposal being dropped and the decision to revert back to weekly collection.

Cllr **Charlie Fraser-Fleming** says:

"Whilst I welcome the return to weekly collections, we urgently need to find ways to increase our re-cycling rates"

Cllr **Craig Card** asked the council how the recycling rate compares, two months after the end of the trial, with the increase during the trial. The answer was:

" We can't answer that question!"

We suspect it's gone down and that's bad news.

BIRCH & OAK HOUSES

Charlie is glad to report that the long awaited conversion of Oak and Birch Houses on Cherrywood Road into two bedroom flats (4 per house) has begun and should be completed soon.

This will provide needed accommodation.

MAYFIELD PARTNERSHIP FUNDAY SUCCESS

The Partnership 'Funday' held at Oak Farm Community School in September was a great success with basketball, face painting and much more taking place. There were both male and female basketball teams and the matches were very competitive. All of those involved had a great time. The aim is to make this a yearly event.

Like to join the Mayfield Partnership? Let us know.

Carry on the good work, Mayfield Partnership.

OVERGROWN HEDGES & CARS PARKED ON PATHS

Over the past few months there have been complaints and concerns about overgrown hedges encroaching onto the footpaths and about cars being parked on footpaths. Both of these have caused problems for people with pushchairs and the less mobile amongst our community. Please consider others when parking and try keeping hedges under control.

NEIGHBOURHOOD WARDEN

Carl Marjoram has been working for some time now at the Mayfield Centre and has got a handle on the estate. If you would like to arrange to see him or would like to pass on a problem, contact him on Tel: 01252 370364.

Save Our Westy!

Local Liberal Democrats are backing the campaign to save the West End Centre in Aldershot.

The 'Westy' is a valuable community resource for people all across our area. It is unbelievable that the Tories would even consider closing it, but they are. 400 people packed the Princes Hall to tell Hampshire Conservatives not to close it. Local Lib Dem Parliamentary Spokesperson, Adrian Collett, won huge applause when he set out why the Westy is unique and why closing it would be wrong.

CAN WE HELP YOU? CARE TO TELL US ABOUT IT?
